

## Underwriting Sponsors Information

Southwest Pregnancy Services was founded in 1988 to provide support to families facing unplanned pregnancy in our community. We help them start the journey of parenthood or adoption by choosing life for their baby and providing:

- Free Pregnancy Tests
- Free Limited Obstetrical Ultrasound
- Options Counseling
- Parenting Education
- Client Advocacy and Referrals
- Baby Care Supplies
- Christian Spiritual Support

Southwest Pregnancy Services would like to invite our community neighbors to partner with us by underwriting the 2017 Run For Life Family Event. As an underwriter you are providing crucial financial support to allow us to provide our services and acting as a catapult for the sponsorships gathered by Run For Life participants. Your underwriting gift helps us all make every step save lives!
