

Southwest Pregnancy Services has had a rich 29 year history of serving pregnant families in Southwest Dallas County. Every day our community has families face unplanned pregnancies who are in need of support, love, resources and information to help them make life-affirming choices.

This year we have seen a 40% increase in client services. Our passion to come along families during their pregnancy has fueled a commitment to saving babies, serving those in need, sharing the love of Jesus, empowering women, educating the next generation and equipping families. We do this through our free medical and social services including:

- Pregnancy tests
- Ultrasound
- Nurse provided education
- Options Counseling
- Resources and referrals
- Prayer and Biblical Counseling
- Post-Abortion Recovery
- Parenting Education
- Baby Care Resource Boutique

Each year we celebrate with a Night for Life. This special evening fuels the ministry of the next year because of underwriters of this ministry. We are sharing this with you because we believe you would want to be part of an organization that is saving lives and serving those in need. Therefore, we are inviting you to be an underwriter and/or table host (We hope both) at this year's *Night For Life- Portraits of Life*. The event will be held **October 12th, 2017 from 7:00-9:00 pm at the Ruthe Jackson Center** in Grand Prairie, TX.

We are inviting attendees to be our guests at no charge to them. This allows 100% given that night to go directly to ministry work. Our underwriters make this possible. Would you be an underwriter? We have included an underwriting form for your prayerful consideration.
